Research University, New Delhi**

The First Pharmacy University of India

4th Annual Conference of SAAE-India (SAAE-I AC-4)

In Association With

Delhi Pharmaceutical Sciences and Research University, New Delhi

Theme

Latest Trends in 'Organ culture & Organs on Chip' Technologies

The Society for Alternatives to Animal Experiments-India (SAAE-I), a registered scientific society in India, had its genesis at the National Centre for Alternatives to Animal Experiments (erstwhile MGDC), Bharathidasan University, Tiruchirappalli, Tamil Nadu, in October 2018, and the first National Conference was conducted at Jamia Hamdard, New Delhi, in Nov 2018. The SAAE is one of the most regular, vibrant scientific societies in India with a regular annual meet in different parts of the country. SAAE promotes humane research, education and training systems to promote the internationally accepted Concept of "3R's"- "Alternatives" – Replacement, Reduction, and Refinement - of use of animals in education, research and testing.

The 4th Annual Conference of the SAAE-I is being organized with an aim to bring together stakeholders of 3'Rs - academia, scientific community, industry, government and animal behaviour / welfare personnel from national / international levels to raise awareness / facilitate exchange of information / ideas on alternatives. This conference is being organized in an online mode under the aegis of Delhi Pharmaceutical Sciences and Research University (DPSRU), established by the Act 7 of 2008 of State Legislature of Delhi as a State University, the first Pharmacy University of the Indian subcontinent. DPSRU is rapidly emerging as an ultimate destination for education, training and research in pharmaceutical and allied health sciences. The DPSRU has around 1300 students and around 150 staff members. It is equipped with the State-of-the-art equipped Centre of Excellence and is producing top class pharmaceutical scientists, pharmacists, and health professionals thereby significantly contributing to the development of Pharmaceutical Sciences across the globe in general, and India in particular.

Sponsors and collaborators

4th Annual Conference of SAAE-India (SAAE-I AC-4)
Latest Trends in 'Organ culture & Organ on Chip' Technologies
Distinguished & Confirmed Speakers:

Dr. Thomas Hartung
CAAT, Johns
Hopkins, USA

Dr. Lena Smirnova
CAAT, Johns
Hopkins, USA

Dr. Adrian Smith
NORCOPA, Norway

Dr. Francois Busquet
AlterTox, Belgium

Dr. Hajime Kojima
NIHS, Japan

Dr. Christian Pellevoisin
Episkin, France

Dr. P.V. Mohanan
SCIMST Trivandrum

Dr. A.B. Pant
CSIR-IITR, Lucknow

Dr. Jaya sujatha
Unilever, UK

Dr. Albert P. Li
AP Sciences Inc, USA

Dr. Suhel Parvez
Jamia Hamdard, New Delhi

Dr. Aamir Nazir
CDRI, Lucknow

4th Annual Conference of SAAE-India (SAAE-I AC-4)

Latest Trends in 'Organ culture & Organ on Chip' Technologies

What to expect:

- Plenary expert talks
- E-posters and oral presentations by young scientists & scholars
- Panel discussions and networking opportunities
- Regulatory trends based on the 3R's
- **"Loreal – Episkin" Awards for best oral and poster presentations to early carrier researchers/scientists**
- Post-conference workshops on reconstructed human tissues (Dr. Christian Pellevoisin, Episkin, France), Integrated discrete Multiple Organ Co-culture (IdMOC) (Dr. Albert P. Li, AP Sciences Inc, Columbia, MD, USA), Drosophila culture and analysis (Dr. Suhel Parvez, Jamia Hamdard, New Delhi) and *C. elegans* culture and analysis (Dr. Aamir Nazir, CDRI, Lucknow)

For Oral and Poster Presentations for Indian delegates

The oral and poster presentations should represent genuine work on alternatives to animals in teaching, research and testing. Being a National society, entries will be limited to Indian citizens working in organizations in India. Routine review type submissions will not be considered. Only online submission through the Conference web site link (www.meetsaaeindia.in) will be accepted.

Specifications of the poster presentations

We are pleased to provide free of cost access to the online conference and free registration for oral and poster presentations. **Top three scorers each of oral and poster presentations will each be awarded a citation and a cash prize sponsored by L'Oreal & Episkin Academy.**

Participation in post-conference workshops will require registration charge which is INR 1000 for each (Please visit website for details). However, SAAE-I Life- and Honorary Members who register for the workshops will not be charged.

Last date of registration and abstract submission: November 30, 2021.

Specifications of the oral presentations:

The total duration for oral presentation will be 10 minutes. The participants will have to submit a recorded power point presentation with a voice over. The clarity of presentation and narration must be confirmed by the participant prior to submission. All the selected presentations will be uploaded on the conference website and only selected top 5 presentations will be included in the live online platform.

Specifications of the poster presentations:

The total duration for online poster presentation will be 5 minutes. The participants will have to submit a poster with a recorded voice over. The participants must confirm the clarity of the presentation and the narration prior to submission. All the selected presentations will be uploaded on the conference website and only selected top 5 presentations will be included in the live online platform.

Patron: Prof. (Dr.) Ramesh K. Goyal, Vice Chancellor, DPSRU

Organizing Committee:

Chairperson: Prof. C. R. Patil, Professor

Secretary: Dr. Sachin Kumar & Dr. Anoop Kumar

Members: Dr. Rajani Mathur, Dr. Mukesh Nandave, Dr. Ajit Thakur, Dr. P. Latha

Co-Sponsors:

*Department of Zoology, University of Kerala, Trivandrum, India

*National Facility of Biopharmaceuticals, GN Khalsa College, Mumbai, India

*Department of Elementology & Toxicology, Jamia Hamdard, New Delhi, India

*Department of Zoology, GGV Central University, Bilaspur, India

Contact:

For oral presentations

Dr. Anoop Kumar, Asst. Prof.

Department of Pharmacology
Delhi Pharmaceutical Sciences and Research
University
MB Road, PushpVihar Sector-3
New Delhi- 110017
Email: anoopniper@gmail.com

For poster presentation

Dr. Sachin Kumar, Asst. Prof.

Department of Pharmacology
Delhi Pharmaceutical Sciences and Research
University
MB Road, PushpVihar Sector-3
