

Monthly Reports of JaCVAM Activities (Jul, 2013)

NO.	Items	Contents
Articles in newspaper		
1	Authors or reported persons	Kojima, H.
	Article	Increasing interest in alternative methods (h-CAT) for skin irritation tests
	The name of newspaper and the date reported	The Chemical Daily, July 17 (2013)
	The contents of the article	The alternative method named "h-CLAT" for skin irritation (allergen potential) tests has been developed cooperatively by Shiseido and Kao, and the possibility of adaptation of this method for OECD test guideline is getting higher.
Reports published in journals		
1	Authors	Kojima, H.
	Title	The Lectures of Techniques – Tests for Safety Evaluation (21); Genotoxicity study – Micronucleus tests using rodents
	Journal, Volume (Issue), Pages (Year)	COSME TECH JAPAN, 3(7) 116-120 (2013)
Domestic academic meetings		
1	Presenters	Kojima, H.
	Title	The state of the development of alternative methods for skin irritation tests in Japan
	The name of academic meeting, date and place of presentation	Workshop for skin irritation tests, Japan Chemical Industry Association, July 12 (2013)
International academic meetings		
1	Presenters	Kojima, H.
	Title	Workshop: Alternative Test Methods and International Regulatory Perspectives, JaCVAM: Recent Progress and Future Plans for the Validation and Acceptance of Alternative Testing in Japan
	The name of academic meeting, date and place of presentation	The XIII International Congress of Toxicology, June 30-July 4 (2013) , COEX, Seoul, South Korea

2	Presenters	Morita, T., Kojima, H., Hayashi, M*
	Affiliations	*Biosafety Research Center, Japan
	Title	General Principles of Chemical Selection for in vivo Validation Studies
	The name of academic meeting, date and place of presentation	The International Symposium of the Center of Alternative Methods for Safety Evaluation of Cosmetics, July 2 (2013) COEX, Seoul, South Korea
3	Presenters	Kojima, H.
	Title	Our Practical Examples of International Validation Studies for Establishing OECD Test Guidelines
	The name of academic meeting, date and place of presentation	The International Symposium of the Center of Alternative Methods for Safety Evaluation of Cosmetics, July 2 (2013) COEX, Seoul, South Korea
International meetings related to regulatory sciences		
1	Participants	Kojima, H.
	Name of conference	International Cooperation on Alternative Test Methods (ICATM) Coordination Meeting
	Place and date	July 3 (2013) Seoul, South Korea
	Discussed in the conference	The recent activities of the validation centers in Japan, U.S.A., EU, and South Korea were reported, respectively, and the test methods necessary for cooperation were confirmed by the organizations.
