

My Dear Colleagues

At the end of this March, I will retire from the section chief of the Division of Risk Assessment and the JaCVAM Secretary general of the National Institute of Health Sciences. I would like to take this opportunity to thank everyone for your patronage of JaCVAM over the years. From next April, I will be reappointed as a senior researcher at the National Institute of Health Sciences, and will continue to be in charge of JaCVAM and OECD work. I appreciate for your continued support.

I would like to express our gratitude to everyone who has cooperated with JaCVAM. Unfortunately, I can't thank you directly for meeting each and every one of you in light of the circumstances on COVID-19. I would appreciate it if you could understand this kind of acknowledgment. I look forward to your continued cooperation in the JaCVAM activities.
